

# *Pensione Ristorante Lagrev*

Dear fishing's friends

Why always fly fishing's courses?

Fishing with a death bait, using the technique of the float and the ash, or with the sbirolino floats is often more exciting.

Arrival Sunday to Isola

We will inform you about the regulations here in Graubünden of the fishing of lake.

Monday

Dependently form the weather we will fish with bait or flies on the sbirolino.

Tuesday

Fishing with float on the mouth of the river and on the lake.

Thursday

We will go to Celerina to fish the fishes with float on ashes.

The fishing patent is valid one week, your stay can be extended without problems. (room with half-board or room with breakfast).
